NOTES: (1) The House consolidates funding for Class Size Reduction under the Teacher Empowerment Act, subject to enactment into law.

(2) Amounts distributed for Federal Pell Grants are based on the program's estimated cost, which includes new appropriations plus the use of all or a portion of a cumulative surplus of unobligated balances from previous award years.

(3) In fiscal year 2000, amounts for Federal Supplemental Educational Opportunity Grants do not reflect the \$10 million in emergency funding for disaster relief.

(4) In fiscal years 2000 and 2001, funds for Leveraging Educational Assistance Partnership include Special LEAP because the program total exceeds \$30 million.
